

Guest Directory & House Rules

In effect 1 January 2026. Supersedes all previous editions. The Glass Hotel, Upper Syari, Gangtok 737101, Sikkim, India.

Arrival, Check-in and Check-out

Check-in begins at **2:00 PM**. Check-out is until **11:00 AM**. Reception and the concierge desk are staffed 24 hours a day, so a late-night arrival is never a problem provided we know your approximate time.

Early check-in and late check-out

Both are offered free of charge whenever the room is available, and availability is only known on the day. To hold a room from the morning of arrival, or until the evening of departure, the night either side must be booked at 50% of the nightly rate.

Request	Charge	Conditions
Early check-in before 2:00 PM	Free	Subject to availability on the day
Guaranteed early check-in	50% of nightly rate	Books the previous night
Late check-out to 2:00 PM	Free	Subject to availability on the day
Late check-out to 6:00 PM	50% of nightly rate	Requested at least 24 hrs ahead
Departure after 6:00 PM	Full nightly rate	Treated as an additional night

Luggage

Luggage may be left with the concierge before check-in and after check-out at no charge, for up to 24 hours. The estate has no self-service lockers; everything is stored in the secured baggage room behind reception and released against a receipt.

Identification, Registration and Permits

Indian law requires every adult guest to present valid photo identification at check-in, and requires us to keep a record of it. This applies to all guests in the room, not only the person who made the booking.

- **Indian nationals:** Aadhaar, passport, driving licence or voter ID. PAN cards are not accepted as photo ID.
- **Foreign nationals:** passport and valid Indian visa. We are required to file Form C with the Foreigners Regional Registration Office within 24 hours of arrival, which reception completes on your behalf.
- **Children under 18:** no separate ID required when accompanied by a parent or guardian.

Inner Line Permits

Sikkim itself requires no permit for Indian nationals. Protected areas beyond Gangtok — including Tsomgo Lake and Nathula Pass — require an Inner Line Permit. Our concierge arranges these with a photo ID and two passport photographs, usually within one working day. Foreign nationals require a Protected Area Permit and cannot visit Nathula Pass at all; Tsomgo Lake is permitted in a group of two or more through a registered agency, which we can appoint.

Permit offices close on Sundays and gazetted holidays, so a Monday excursion needs paperwork submitted by Saturday.

Payment, Taxes and Billing

All published tariffs are in Indian Rupees (₹) and are quoted **per room, per night, excluding taxes**. Government Goods and Services Tax is added at the prevailing rate — 18% on room tariffs above ₹7,500 per night, which applies to every room category we operate. Restaurant and spa bills carry GST at the applicable rate and are shown separately.

Accepted methods

- UPI, and all major Indian debit and credit cards.
- Visa, Mastercard and American Express issued outside India.
- Bank transfer (NEFT/RTGS/IMPS) for advance deposits, and for corporate and group accounts.
- Cash in Indian Rupees up to ₹1,99,000 per stay, the statutory limit under Section 269ST of the Income Tax Act.

We do not accept foreign currency notes, travellers' cheques or cryptocurrency. There is no foreign exchange counter on the estate; the nearest licensed changers and ATMs are on MG Marg, about ten minutes away by car.

Incidentals

A pre-authorisation of ₹10,000 per room is placed on a card at check-in against incidental charges, released within 5–7 working days of departure. Guests who prefer not to authorise a card may leave a cash deposit of the same amount instead.

A GST invoice bearing your company name and GSTIN can be issued if the details are provided before check-out. Invoices cannot be reissued with different particulars afterwards.

Cancellation, Amendment and No-show

Our cancellation terms are deliberately simple, and identical whether you book by WhatsApp, by email or by telephone.

When you cancel	What is charged	What is refunded
8 or more days before arrival	Nothing	Full refund of any deposit
Within 7 days of arrival	First night of the stay	Balance of any deposit
On the day of arrival	First night of the stay	Balance of any deposit
No-show, no contact	First night of the stay	Balance of any deposit
Early departure mid-stay	One further night	Remaining nights

Refunds are returned by the route the payment arrived on and typically clear within 7–10 working days. A room held with no deposit and cancelled within 7 days is invoiced for the first night.

Amendments

Moving your dates is free of charge if requested 8 or more days before arrival and the new dates are within twelve months, at the rate applicable to the new dates. Inside 7 days, a change of dates is treated as a cancellation and a new booking.

When the mountain decides

If NH10 is closed by landslide or the airport is shut and you cannot physically reach Gangtok on your arrival date, we hold the full value of the booking as credit for twelve months rather than charging a cancellation fee. We ask for reasonable evidence — a cancelled flight, a district road notice — and we apply this generously, because arguing with the weather is not a business we wish to be in.

Occupancy, Children and Extra Beds

Each room has a maximum occupancy that we cannot exceed, for safety and licensing reasons. The published capacity includes children of all ages.

Room	Standard occupancy	Maximum occupancy	Extra bed possible
The Mist Suite	2 adults	2 guests	No
The Panorama Pavilion	2 adults	3 guests	Yes — one
The Obsidian Villa	4 adults	4 guests	No — two king beds

Children

- Children of every age are welcome. We are not an adults-only property.
- Under 6: stay free of charge sharing existing bedding, and eat free from the breakfast buffet.
- 6 to 12: ₹2,500 per child per night including breakfast, where an extra bed is available.
- 13 and over: charged as an adult on the extra-bed rate.
- Cots are complimentary — we hold four, so please request one at the time of booking rather than on arrival.

Extra beds are ₹4,500 per night including breakfast, and are only possible in The Panorama Pavilion. The Obsidian Villa sleeps four across its two king beds and takes no additional bedding; a party of five or more needs a second room.

Babysitting can be arranged with 24 hours' notice through a vetted local agency at ₹800 per hour, minimum three hours.

Pets, Smoking and Alcohol

Pets

We love animals, but we do not allow pets at the property. The estate borders forest that red panda, civet and a great many ground-nesting birds move through, and a resident dog or cat changes their behaviour. This applies to every room and to the grounds, with no exception for size or temperament.

Recognised assistance animals accompanying a guest with a disability are welcomed, and are not pets in the sense of this policy. Please tell us in advance so the room is prepared and housekeeping is briefed.

Boarding kennels in Gangtok are limited; the concierge keeps details of two the team has visited, at roughly ₹900 per day.

Smoking

The Glass Hotel is entirely non-smoking indoors — rooms, corridors, restaurant, spa and the fitness centre. This includes e-cigarettes, vaping devices and heated tobacco. Smoking is permitted on private balconies, decks and in the designated garden area near the lower terrace, where ashtrays are provided.

A cleaning charge of ₹15,000 applies where a room has been smoked in, which covers deep cleaning and the night the room cannot be resold. Tampering with a smoke detector is charged at ₹25,000 and ends the stay.

Alcohol

The legal drinking age in Sikkim is 18. Alcohol may be consumed in the restaurant, the bar, the gardens and in your room. Guests are welcome to bring their own bottles; a corkage fee of ₹1,500 per bottle applies in the restaurant, and none at all in your own room.

Visitors, Quiet Hours and Estate Etiquette

Day visitors

Guests may receive visitors in the public areas — the lounge, restaurant and gardens — between 8:00 AM and 9:00 PM. Visitors sign in at reception with photo ID. Visitors are not permitted in guest rooms or at the pool and spa, both of which are reserved for resident guests. Anyone staying past 9:00 PM is registered as an additional guest and charged the extra-bed rate.

Quiet hours

10:30 PM to 7:00 AM. Sound carries a long way across a valley at night and the estate is built largely of glass. Music in rooms and on decks should not be audible from the path outside during these hours.

Drones

Drone flying is not permitted from the estate. Sikkim sits within restricted airspace near an international border, and permission must come from the District Administration rather than from us.

The gardens and the forest edge

- Please stay on the marked paths after dark; the terraces drop away sharply beyond the lit boundary.
- Do not feed any wildlife, including the macaques that occasionally come up the ridge. A fed macaque becomes a problem for everyone.
- Balcony doors should be closed when you leave the room, for the same reason.
- Foraging in the estate herb terraces is welcome — ask the kitchen and someone will walk you round.

Housekeeping, Laundry and Room Services

Housekeeping

Rooms are serviced daily between 9:00 AM and 4:00 PM, and turned down between 6:00 PM and 8:00 PM on request. Linen is changed every third day of a stay and on request at any time; towels are changed daily unless left hanging. A 'Do Not Disturb' sign is always respected — if it is still displayed at 4:00 PM we will call the room once to ask whether service is wanted.

Laundry and pressing

Collected at any hour and returned within 24 hours. Express service, returned within 6 hours, is charged at 1.5×. There is no dry-cleaning plant on the estate; dry-cleaning goes to Siliguri and takes 48–72 hours.

Item	Laundry	Press only	Dry clean
Shirt or blouse	₹250	₹150	₹400
Trousers	₹300	₹180	₹450
Dress	₹450	₹250	₹700
Suit, two-piece	—	₹500	₹1,200
Jacket or coat	—	₹350	₹900
Socks or underwear, per piece	₹90	—	—

In the room

Every room has smart climate control with heated floors, a premium minibar stocked with organic Temi teas, an espresso machine, a safe sized for a 15-inch laptop, an umbrella, and bathrobes and slippers. Iron and board, extra pillows, humidifiers and phone chargers are brought up on request at no charge.

Wi-Fi, Power and Water

Wi-Fi

Complimentary high-speed Starlink Wi-Fi covers every room and public space, including the pool deck and the gardens. The network is **GlassHotel-Guest** and the password is printed on the card in your room and changes weekly. There is no device limit, no time limit and no paid tier.

Satellite internet degrades in very heavy rain and during dense cloud, which in monsoon can mean a slow half-hour. A 4G Jio hotspot is kept at reception and lent out free of charge when that happens. Mobile coverage on the estate is good on Jio and Airtel, patchy on Vi, and BSNL is reliable outdoors only.

Power

Sikkim's grid supply is stable but not immune to weather. The estate runs a full-load diesel generator that picks up within 8 seconds of an outage, plus a battery inverter that holds lighting, Wi-Fi and lifts with no interruption at all. In practice a guest notices a power cut only by the corridor lights dimming briefly.

Sockets are Indian Type C/D/M, 230 V, 50 Hz. Universal adaptors are free from reception, and every bedside has USB-A and USB-C.

Water

Hot water is available 24 hours from a solar-thermal system with electric backup. Drinking water is filtered and UV-treated on site and is safe from the tap; still and sparkling bottled water in glass is complimentary and replenished daily. We stopped stocking single-use plastic bottles in 2024.

Safety, Security, Lost Property and Liability

Security

The estate is gated with staffed access 24 hours. Public areas and approaches are monitored by CCTV; there are no cameras in guest rooms, corridors serving only guest rooms, the spa or the pool. Footage is retained for 30 days and released only to law enforcement on formal request.

In-room safe and valuables

Every room has a safe. Items left outside it are not insured by us. The reception vault will hold anything that does not fit — cameras, instruments, documents — against a signed receipt, and that is the only route by which we accept liability for valuables.

Lost property

Anything found is logged and held for **90 days**; perishables and unsealed toiletries are discarded immediately. We will courier an item anywhere in India at cost, typically ₹400–₹900, or hold it for a return visit. Unclaimed property is donated after 90 days.

Damage

Accidents happen and ordinary wear is never charged. Damage beyond that — a broken pane, a stained rug, a missing artwork — is charged at replacement cost, itemised, with photographs, and always discussed with you before anything is put on the bill.

Liability

We carry public liability insurance. We are not liable for loss or injury arising from activities off the estate, from weather, from road closures, or from guests' own vehicles parked on the property. Travel insurance covering mountain travel and trip interruption is strongly recommended.
